## **Brian Redman: Daring Drivers, Deadly Tracks: Redman, Brian ...**

Redman's writing is as engaging as his after-dinner speeches. The book has plenty of high-quality pictures, most in color, some rare. It is organized in an interesting way: some chapters are an account of a given season, others group his experience of legendary circuits. Daring Drivers, Deadly Tracks is, in many ways, a backward-looking reality ...

...

Those days of racing were brutal and Brian conveys why and how in a factual, story-rich way. A driver went out not knowing whether his car would break and kill him. But he raced anyway, because that's what he did... and in Brian's case because he did it very well and couldn't figure out anything else he could do that would support his family.
