Capitalism The Unknown Ideal Signet

Capitalism is truly unknown to the world, as it has yet to be practiced by the collective in its most pure form without government or military intervention. As Ayn Rand emphasizes throughout this great book, true capitalism is simply a form of free trade based on the moral imperative of personal freedom and the rights of the individual above the state.

Capitalism: The Unknown Ideal: Rand, Ayn, Branden ...

Rand intended Capitalism: The Unknown Ideal to focus on the moral nature of capitalism, as opposed to focusing on its economic aspects. She contrasts this with what she says is the failure of most other defenders of capitalism to provide a moral defense of that system. After an introduction by Rand, the book is divided into two main sections.
