Sketch showing life of British prisoners of war in a German camp during World War Two. The sketch was made in Stalag XXI D in Posen, Poland, by Lieutenant J F Watton of the 4th Border Regiment who was captured near the Somme in June 1940. The sketch was passed by the German censor, and shows an eight-sleeper bunk in the camp.

Pen and Sword Books: Escaper's Progress - Hardback

Guide to The Great Escape. The Great Escape is a remarkable story from a remarkable period in human history. However, it is important to put it into its historical context. It wasn't the greatest escape of the war and it wasn't the worst massacre of prisoners. But none of that detracts from it being an outstanding story.

This Newly Excavated Underground Tunnel Reveals How 83 ...

The "great escape" Harry, the last remaining tunnel, was finally ready in March 1944. The escape attempt had originally been planned for the summer as good weather was a large factor of success. In early 1944, though, the Gestapo visited Stalag Luft III and demanded increased efforts in detecting possible escape attempts.

It is remarkable that MI9, together with Comete and local Resistance groups under the command of Omer Jubault, had managed to lead 152 Allied evaders, mainly at night, into the Freteval Forest, then hidden, protected, clothed, nursed and fed them within sight of German patrols from land and air. It is remarkable too, that the operation took ...

As the years progress we inevitably have a turn over of tenants at Adam Park. Recently long standing residents have moved away and houses have remained unoccupied. However that doesn't mean they fall into disrepair the Singapore Land Authority regularly go into the properties to maintain them and get them ready for prospective new families.

Adam Park Project

The Wooden Horse may be a cinematic rendition of a fictionalised version of a real escape but even so, much of it stacks up well against true accounts of life in Stalag Luft III. It demonstrates that escape is a significant part of captivity for all sorts of reasons and that prisoners of war remained active airmen, still on operations, despite ...

The Wooden Horse was one of the daring Prisoner of War escape films. It features the true story of Eric Williams and two others in their escape from Stalag-Lufft III in October of 1943. This was the same POW camp where the Great Escape took place as well and which also got turned into a more famous film.
